How to Use this Kit: After you download this PDF, find the ebooks by visiting <https://gailborden.info/library-collections/ebooks-audiobooks>. From there, you will see several different applications to download books to your device. Read books, sing songs, and add anything else to the storytime you'd like!

Theme: This storytime features feelings of all kinds. While you read stories and sing songs, talk to your child about his/her own feelings. When you help a child name their feelings, it helps to grow their vocabulary and ability to more specifically express their emotions.

Song: "If You're Happy and You Know It"

If you're happy and you know it, clap your hands.
If you're happy and you know it, clap your hands.
If you're happy and you know it,
Then your face is gonna show it,
If you're happy and you know it, clap your hands.

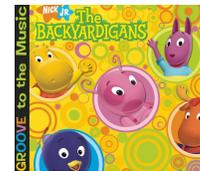

If you're sad and you know it, wipe your eyes...
If you're mad and you know it, stomp your feet...
If you're scared and you know it, hide your eyes...

I am proud of being me.
That's a feeling too, you see.
